July 28, 2022

Dear Parents,

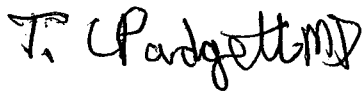

After over 30 years, it is with mixed emotions that we announce the closure of Pediatric Associates of Lafayette, PC at the end of business on October 28, 2022. We will honor appointments through that day, and we are looking forward to continuing our care for your children until then. However, after October 28th, we will no longer be available.

Dr. Padgett and Dr. Thomas are retiring. Dr. Bell will be joining Preferred Pediatrics, 3774 Bailey Drive, Lafayette, IN and welcomes any patients who may wish to be seen in her new location.

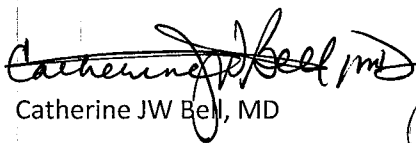

Your child(ren) will need a new primary care physician, which includes pediatricians and family practice physicians, after October 28th, 2022. If you need help finding a new doctor, you may contact your insurance company or a hospital physician referral service. Once you have identified a new doctor, please complete the attached records release form and return it to our office as soon as possible so we can forward your child's records to the new physician. Patients wishing to continue to see Dr. Bell at her new location must complete the attached form and return it to the office as soon as possible so we can forward your records to Dr. Bell at Preferred Pediatrics.

We have greatly valued our relationship and wish you and your family well.

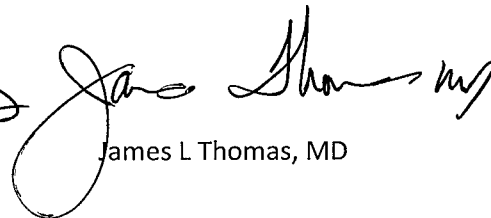

Sincerely,

Thomas C Padgett, MD

Catherine JW Bell, MD

James L Thomas, MD
